

# Intelligent Complex Revenue Cycle Management

## Why Choose Us

For over two decades, Aspirion has partnered with hospitals and health systems to achieve optimal revenue recovery for their most challenging claims.

"Aspirion's team members have become integral to our processes and results. They collect on our complex denials and provide meaningful data about trends and issues.

They also give us guidance about ways that we can improve. Everyone on Aspirion's team is fully dedicated to our outcomes."

**VP/Executive, Aspirion Client**

- Underpayment Recovery
- Aged AR

# What Sets Aspirion Apart

## Our Team

Located only in the US, our highly skilled team of 150+ attorneys/legal professionals, 65+ clinical review nurses, and 900+ certified coders and claims specialists **work every claim**—we never cherry-pick.

We are committed to maximum revenue recovery as reflected by our 2024 **Best in KLAS Denials Management Services Award.**

## Data Security

Healthcare providers deserve a partner that takes safeguarding sensitive patient information as seriously as they do.

Aspirion is committed to meeting key regulations and protecting sensitive information as exhibited by our **HITRUST Risk-based, 2-year Certification.**

## Performance Transparency

With our Aspirion Intelligence business platform, our clients get deep visibility into our revenue recovery performance. Powered by our proprietary technology, our clients can:

**Track claims recovery**  
via user-friendly dashboards

**View claims**  
volume, collections, and time to collect

**Export and share**  
actionable data with internal teams

## Our Proven Results\*

- **97%+** client retention
- **90%+** clinical denials overturn rate
- **90%+** complex claims success rate
- **15%+** annual write-off reduction
